MAMORA BAY WATER FRONT AND HILL SIDE

English Harbour, St Pauls

US$ 650,000

2.74 ac | 121,656 sq. ft

Perched on the rugged hillside of Antigua s southeastern coast, this rare 2.7-acre parcel of beachfront land offers a truly unique opportunity in Antigua real estate. The terrain slopes gently from the coastal edge upward into the hillside, giving it a natural elevation that enhances the already stunning sea views. With the sound of the waves rolling in and the warmth of the rising sun greeting you each morning, this property captures the serenity and raw beauty that define the best of island living.

Getting to the property takes you along a rustic countryside road that carves through Antigua s picturesque southern interior. As you travel, rolling hills and panoramic views of the island s lush landscape guide your way.
