PEARNS POINT DEVELOPMENT

Pearns Point, Jolly Harbour, Antigua

Price on Request

0.79 ac | 34,412 sq. ft

Positioned on Antigua s breathtaking western coast, the Pearns Point Development offers a rare opportunity to claim land in one of the Caribbean s most luxurious and private destinations. This limited collection of plots sits across a peninsula defined by natural beauty, featuring a rugged coastline softened by seven white sand beaches and turquoise waters. The land embraces the island s natural contours and tropical flora, with development plans that integrate sustainability and elegance into the landscape.

Each plot benefits from panoramic views, ranging from hilltop vantage points with sweeping 360-degree perspectives to beachfront sites with direct access to calm Caribbean shores.
