Casa Corale is a stunning property located in the serene and exclusive Hodges Bay area of Antigua and Barbuda. Priced at a reduced rate of US\$ 1,150,000, this executive-style home exudes quality in every aspect of its design and offers a tranquil living experience.

As you step into Casa Corale, you will immediately notice the impeccable attention to detail and exquisite craftsmanship that defines this two-bedroom villa. The interior living space is bathed in a sense of tranquility, thanks to the use of natural stones, pale-pickled ceilings, and elegant travertine flooring. This carefully curated design creates a calming environment that is perfect for relaxation.
