

 0.25 ac | 10,890 sq. ft

Perched high on a hill on the South West Coast of Antigua, sits this 0.25 acre of land is a wonderful opportunity for a buyer looking to build a home with a view.

The land is serviced with a road and Government utilities very close by as there are a few houses in the vicinity. The views are absolutely spectacular, looking out over the serene turquoise waters of the Caribbean Sea, and out towards Montserrat.

Nearby are some of Antigua's finest beaches and Jolly Harbour, with all the amenities and golf course, marina, banks, supermarket, pharmacy, restaurants and bars. A must see for anyone interested in building their own home.
