Villa Marco Polo is a captivating property for sale in the beautiful island of Antigua and Barbuda. Nestled in the vibrant community of Fitches Creek, this two-story villa boasts stunning wooden features and offers convenient proximity to the vibrant city of St. John's, with its array of bars, restaurants, and supermarkets, just a short 15-minute drive away.

As you step into Villa Marco Polo, you are greeted by an inviting and spacious living room, flooded with natural light. The living room seamlessly connects to the mature tropical garden and a charming gazebo, creating a perfect space for relaxation and entertainment. On the left side of the ground floor, you will discover two comfortable bedrooms, one of which includes an en-suite bathroom.
