The Gardens on Harbour Island is a collection of 36 off-plan homes offering every homeowner a private oasis at the heart of Antigua's stunning west coast. Harbour Island sits at the heart of Jolly Harbour offering a number of interior and waterside villa plots. The plots at The Gardens are being offered with turn key construction, design, furnishing and management in place.

**Aloe Garden Villa**

The Aloe Garden villa is a spacious open-plan home on 0.2 acres with many features combining to make it an ideal Antiguan vacation home. The open-plan two-bedroom Aloe garden villa is ideal for owners looking for a one-story indoor-outdoor easy space in which to enjoy Antigua's beautiful climate, the sound of the birds and a private garden oasis with a pool.
