

📏 0.25 ac | 10,890 sq. ft

Nestled in the prestigious Cedar Valley area, this prime parcel of land for sale in Antigua offers an exceptional opportunity to build a dream home or a valuable investment property. Spanning 10,890 square feet, the land boasts a flat topography and a versatile rectangular shape, making it ideal for various construction projects. Situated just south of the renowned Cedar Valley Golf Course, the property enjoys breathtaking views and a serene atmosphere, perfectly suited for those seeking a refined and tranquil lifestyle.

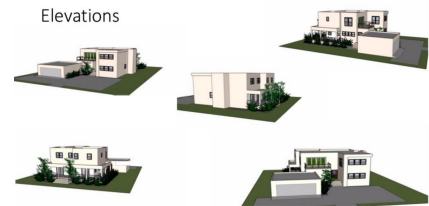

Surrounded by mature Cedar and Ackee trees, the land benefits from natural shade, cooling breezes, and abundant sunlight. Thoughtfully positioned within an upscale residential neighborhood, this lot provides a harmonious blend of privacy and accessibility.
