Set on Antigua's breathtaking East Coast, this 4.97-acre plot at Dian Bay Long Bay offers a prime location for visionary development. The land occupies an elevated position atop a cliff, providing stunning 360-degree views over the Caribbean Sea and a serene lagoon at the rear. With nearly five acres of unspoiled coastal terrain, this property presents one of the most exciting opportunities currently available in Antigua real estate.

Its location on the far eastern edge of the island places it in an area known for peace, exclusivity, and extraordinary natural beauty. Surrounded by turquoise waters and lush vegetation, the land offers a rare blend of seclusion and accessibility.
