Galley Bay Cottages are located on the northwest coast of the Island and consist of four charming Caribbean style cottages on a hillside location above Galley Bay. You will find breathtaking panoramic ocean views and are only steps away from the beautiful white powder Galley Bay Beach.

Each cottage is self contained with a fully equipped kitchen and is uniquely furnished with four poster beds, fixtures created by a local potter, and uniquely designed bathrooms. You will find spectacular sea views from all cottages.

On this property you will also find an enchanting main Villa with spectacular ocean views with 1/2 acre of land that can either be purchased separately or all together.
