This breathtaking beach front plot is located on the southwest side of the Island in the North Finger of the Jolly Harbour Marina, a full service marina and boatyard, within a residential and resort community.

Jolly Harbour is the largest man-made marina in the Caribbean and enjoys some of Antigua's most amazing white sand beaches.

This residential community has 24-hour security and is only a 20 minute drive away from the airport and the St. John's Capital. These plots come with a second plot for docking a boat or installing a boat lift.
