

2.74 ac | 121,656 sq. ft

This pristine beachfront land is located on a rocky, hillside on the South East side of the island.

The access road to the land is somewhat rugged and cross the country side with spectacular views over the southern part of the island.

Once you arrive at the sea shore, the view is truly amazing and overlooks the very famous St. James Club. Its beach is situated over the opposite cliff and unto the coral reef all along the shores.

This 2.7 acres of land is spread along the coast line, with its own small beach and beautiful rocks all along, as well as going up on the gentle hill. The sea view is absolutely spectacular, right in front of the sun rise.

Breathtaking views and the constant sound of the sea make this piece of land very desirable.
