Cave Villa is perched above Antigua s southwest coastline, a hilltop estate with uninterrupted Caribbean Sea views and spectacular sunsets over Montserrat and Guadeloupe. Set on half an acre, it offers privacy, elevation, and exclusivity. The main residence spans 6,200 sq. ft. with four ensuite bedrooms, a contemporary kitchen, and indoor-outdoor living flowing to a covered verandah and infinity pool. A separate guest/caretaker cottage adds flexibility. Surrounded by tropical gardens, equipped with electricity, cisterns, and a generator, and CIP-approved, Sea Cave Villa is a rare opportunity for a premier Caribbean residence near beaches, Jolly Harbour, and dining.
