Sugar Mountain Cottage offers a rare opportunity to own a charming retreat in the peaceful southern community of John Hughes, Antigua. Nestled near the island's lush rainforest, this beautifully crafted home blends natural beauty with comfort and practicality. Surrounded by rolling hills and vibrant greenery, the property provides a sense of seclusion while remaining conveniently close to key destinations.

Built with durable Greenheart and Purpleheart hardwoods, Sugar Mountain Cottage exudes timeless character. The craftsmanship highlights Antigua's rich architectural heritage, creating a home that stands strong against the elements while maintaining warmth and authenticity.
