Presenting Palm Villa, an exquisite property located within the esteemed Sugar Ridge community, combining classic Caribbean design with a contemporary twist. With its high ceilings, louvered windows, and expansive glass pocket doors, Palm Villa is designed to make the most of the cooling breezes and showcase the stunning signature views of Sugar Ridge. Meticulously designed, the villa features a sleek Italian kitchen, statement fixtures, and furnishings that exude a 'casual global modern' aesthetic.

Step inside Palm Villa and experience the seamless flow of space. The entire villa is adorned with beautiful travertine tiles, both indoors and out. The three king bedroom suites are thoughtfully connected by communal living areas.
