Driftwood Villas offers a rare opportunity to acquire one beautifully maintained 3-bedroom villa together with the foundation and infrastructure for a second villa, all set within a peaceful valley overlooking Darkwood Beach and the sparkling Caribbean Sea.

Situated on approximately one-third of an acre, the property enjoys panoramic valley and sea views, landscaped tropical gardens, a large swimming pool and an expansive sun deck, creating the perfect setting for relaxed Caribbean living.

The completed villa offers approximately 1,471 square feet of living space and has been thoughtfully designed across two levels. Spacious indoor and outdoor living areas flow seamlessly together, while the covered verandah provides the ideal place to enjoy the cooling trade winds and stunning views.
