Windward Estate offers a rare opportunity to invest in prime Antigua real estate, set on 93 acres of exclusive waterfront land between Pigeon Point Beach and Windward Bay. Surrounded by two of Antigua's most stunning beaches, this gated estate blends natural beauty, luxury, and privacy in one exceptional development. With its unrivaled location along the island's breathtaking south coast, Windward Estate sets a new benchmark for premium residential living in Antigua.

Each of the 13 expansive plots offers a unique canvas to create a custom high-end villa, with generous space between properties to preserve privacy and peace. Buyers can choose to build a bespoke home or select from an existing portfolio of elegant, ready-built residences.
